The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose an irradiation device for a target, which includes means for scanning the target along a narrow substantially rectangular band of a charged hadron beam and for causing the center of the narrow band to follow a median line while lengthening or shortening the narrow band to follow contours of the target as recited in claims 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
